§ 641.140 What definitions apply to this part?

The following definitions apply to this part:

Authorized position level means the number of SCSEP enrollment opportunities that can be supported for a 12-month period based on the average national unit cost. The authorized position level is derived by dividing the total amount of funds appropriated for a Program Year by the national average unit cost per participant for that Program Year as determined by the Department. The national average unit cost includes all costs of administration, other participant costs, and participant wage and fringe benefit costs as defined in section 506(g) of the OAA. A grantee’s total award is divided by the national unit cost to determine the authorized position level for each grant agreement.
